

Kuei-Tien Chou

BASIC INFORMATION

Nationality: Taiwan

Address: 1, Roosevelt Rd., Sec, 4, Taipei, Graduate Institute of National Development,
National Taiwan University, Taiwan, R.O.C.

Telephone: (O) 886-2-33663328 e-mail: ktchou@ntu.edu.tw

EDUCATION

Ph.D., University of Munich Institute of Sociology, Germany, 1999

Master, Taiwan University Institute of Sociology

Bachelor, Taiwan University Department of Sociology

CURRENT POSITION AND PROFESSIONAL EXPERIENCE

Current position : Director, Risk Society and Policy Research Center, College of
Social Science, National Taiwan University

Professor in Graduate Institute of National Development, National Taiwan University

FIELDS OF SPECIALTY

Risk society, Technological Governance, Environmental Governance, Globalization,
Science and Society

REPRESENTATIVE PUBLICATION LIST

A: Journal Articles

Chou, Kuei Tien (2015) From Anti-pollution to Climate change risk movement:
Reshaping Civic

Epistemology, *Journal of Sustainability* **2015**, 7, 14574-14596 (SSCI)

Chou, Kuei Tien 2015. Predicament of Sustainable Development in Taiwan: Inactive
transformation of high energy consumption and high carbon emission industries and
policies, *Journal of Advances in Clean Energy*, 2.1, 44-68.

Chou, Kuei Tien & Chien-Ming Hsu. 2015. Comment on Risk Society, in: *Journal of
Communication Research and Practice*, Vol. 5. No. 2. pp. 235-244.

Yang, Chih-Yuan & Kuei Tien Chou 2015. Beyond Deterministic Risk Governance: The
Alternative Risk Knowledges, *SOCIETAS: A Journal for Philosophical Study of Public
Affairs*, No. 54, pp. 109-156.

Chou, Kuei Tien & Chien-Ming Hsu. 2014. 'An Analysis on the Regulative Context and
Structure behind the Plasticizer Event,' *Taiwan: A Radical Quarterly in Social Studies*,
95: 109-177. Chou, Kuei Tien & Xin-Zhi Chen. 2014. 'Fragile Risk Governance Culture
of Information Technology – A Study to the Institutional Ignorance of Electronic Medical
Records,' *Thought and Words*. (Accepted) (TSSCI)

Chao, Hsiang & Kuei-Tien Chou. 2013. Study on Debates regarding Phase II of the
Central Taiwan Science Park Development Project from the Perspective of ICESCR

- Protections of the Human Right to Water, *Journal of National Development Studies*, 13(1): 93 – 155.
- Chou, Kuei Tien. 2013. 'The Public Perception of Climate Change in Taiwan in Paradigm Shift,' *Renewable Energy Global Innovations* {ISSN 2291-2460}.

Chou, Kuei-tien. 2006. 'Biomedtech Island Project and risk governance – paradigm conflicts within a hidden and delayed high-tech risk society'. Presented on 2006 EASST Conference - Reviewing Humanness: Bodies, Technologies and Spaces, August 25th 2006, Lausanne, Switzerland.

Chou, Kuei-tien. 2005. 'How is risk governance possible in a double risk society?' Presented on 14th SRA Europe Annual Meeting 2005 – Major risks challenging publics, scientists and governments, Society of Risk Analysis, September 12th 2005, Como, Italy.

Chou, Kuei-tien. 2005. 'How is social trust of biobank possible?' Presented on SWISS/TAIWAN Scientific Seminar 2005 - Biotechnology and Public Health in the Gene-Era: Ethical, Legal, Social and Political Aspects, Universität Zürich, Institut für Politikwissenschaft, August 17th 2005, Swiss.

Chou, Kuei-tien. 2005. 'A research in risk perception, communication and decision-making regarding to genetically modified foods in Taiwan in 2003/2004'. Presented on academic conference of "Survey and Research on Taiwan Genetic Tendency", Center for Survey Research, Academia Sinica, April 8th 2005.

Chou, Kuei-tien. 2004. 'Risk perception, risk communication and policy making of GMOs'. Theme: Biotechnology, Family and Community, The Fourth International Conference of Bioethics, Graduate Institute of Philosophy, National Taiwan University, Taipei, Taiwan.

Chou, Kuei-tien. 2004. 'Risk perception, risk communication and legitimacy of technological policy making about GMO'. Roundtable Discussion with Finland Scholars, ELSI workshop, National Science Council, Taipei, Taiwan.

Chou, Kuei-tien. 2003. 'Monopolistic scientific rationality and submerged ecological and social rationality – a discussion of risk culture between local public, scientists, and the state'.

Humane Issues of Genetic Technology: Genetic Ethics, Stem Cell Research, and Genetically Modified Foods, 2003 ELSI Workshop, Department of Humanities of National Science Council, Taipei, Taiwan.

Chou, Kuei-tien. 2003. 'From globalizational risk to glocalizational risk: a critical rethinking of Beck's theory of risk society'. Symposium of Globalization, Europeanization, and Localization, Institute of European Studies, Nanhua University.

Chou, Kuei-tien. 2003. 'Science, technology, and democracy in Taiwan: the case of GMOs'. Science Studies and Public Policy: A Sino-Australian Conversation, A one-day

Symposium, Australian Academy of Science National Committee for History and Philosophy of Science and School of History and Philosophy of Science University of NSA.

Chou, Kuei-tien. 2003. 'Risk assessment and risk communication under glocalizational risk'. Taiwanese Sociological Association and National Chengchi University.

Chou, Kuei-tien. 2003. 'Risk assessment and risk communication under glocalizational risk'. Disease and Society: Reflection Academic Conference of Medical Science and Humane Studies for SARS Storm in Taiwan, College of Social Sciences, National Taiwan University. Chou, Kuei-tien. 2003. 'Cognition of risk and communication toward genfood in Taiwan society'. The 4th Biotechnology and Biolaw Conference, College of Law, National Taiwan University.

Chou, Kuei-tien. 2003. 'Non-nuclear homeland – a discussion of public participation and risk communication mechanism'. Pre-conference of National Non-nuclear Homeland Conference: the Content and Promotion Mechanism of Non-nuclear Homeland, Energy Commission of Ministry of Economic Affairs.

Chou, Kuei-tien. 2002. 'Interaction between universality and particularity: Glocalizational risk – the thinking paths of research and practice'. Annual Conference of Taiwanese Sociology Association. Tunghai University, Taiwan.

Chou, Kuei-tien. 2001. 'The theoretical and practical gap of risk society – localized delayed high-tech risk society'. Knowledge Based Economy and National Development Conference, National Taiwan University.

Chou, Kuei-tien. 2001. 'Risk, uncertainty, and second modernity'. Modernity and Post-modernity Conference, Institute of European and American Studies, Academia Sinica, Taiwan.

Chou, Kuei-tien. 2001. 'Risks of genetic technology - a case study of genfood risk'. Chang, Chao-Ting Memorial Conference, Chang, Chao-Ting Memorial Foundation, Taiwan.

Chou, Kuei-tien. 2000. 'The theoretical and practical gap of glocalizational risk – delayed high-tech risk society'. Annual Conference of Taiwanese Sociology Association. National Taipei University, Taiwan.

Chou, Kuei-tien. 2000. 'Technological risk – uncertainty of science and technology'. The Second Modernity and Risk Society Conference, Department of Sociology, National Chengchi University, Taiwan.

Chou, Kuei-tien. 2000. 'Biotechnology industry and social risk: delayed high-tech risk society'. Legitimate Control and Social Impact of Genetic Technology Conference, College of Law, National Taiwan University.

Chou, Kuei-tien. 1997. 'Structure and action - risk society'. Structure and Action Conference, Department of Sociology, National Taiwan University.

Chou, Kuei-tien. 1997. 'Public sphere in internet - a construction in the risk society'. Information and Society Conference, Institute of Sociology, Academia Sinica, Taiwan.

Chou, Kuei-tien. 2008. 'How is risk governance possible in a double risk society?' (reviewing by an international journal)

Chou, Kuei-tien. 2008. 'System destroys trust? – public perception of global food risks in Taiwan' (reviewing by an international journal)

Chou, Kuei-tien. 2002. 'Globalizational and glocalizational risks of genetic technology'. Science Development, 354, 32-39.

Chou, Kuei-tien. 2001. 'Four big risks of genetic technology'. Open the Pandora's box? Humanist Theses of Genetic Technology, Department of Humanities and Social Sciences, Academia Sinica (ed.), pp.53-84. Taipei: Chinatimes Cultural & Educational Foundation.

Chou, Kuei-tien. 2000. 'Technological future: globalization and scientific risks – case of human genetic draft'. Science Monthly, 31(11), 954-958.

Chou, Kuei-tien. 1999. 'Genetically modified products should forced to be labeled'. Newsletter of Biotechnology and Law, 4, 20-22.

E: Research projects (1998~2007)

2009-2010 Research on Risk Governance of innovative Technology - Risk Regulation and Governance of Nanotech, National Science Council. 2008-2009 Reflection on Modern Technological Civilization : Lectures of Humanity and Social Science , National Science Council.

2007-2009 Governance Analysis of Genomic Medical Research Involving Life Ethics and Social Risk—case studies of human embryo stem cell and reproductive medicine (genetic screening and genetic enhancement) , National Science Council.

2006-2007 Technological policy-making state system of risk assessment and risk communication on genetic engineering – rethinking on glocalizational risk (3/3), National Science Council.

2005-2006 Technological policy-making state system of risk assessment and risk communication on genetic engineering – rethinking on glocalizational risk (2/3), National Science Council.

2004-2005 Technological policy-making state system of risk assessment and risk communication on genetic engineering – rethinking on glocalizational risk (1/3), National Science Council.

2003-2004 Integrative Research of Glocalizational Genetic Risk Culture—Case Study of Genfood (3/3), National Science Council.

2002-2003 Integrative Research of Glocalizational Genetic Risk Culture—Case Study of Genfood (2/3), National Science Council.

2001-2002 Integrative Research of Glocalizational Genetic Risk Culture—Case Study of Genfood (1/3), National Science Council.

2000-2001 Biotechnology Industry and Risk Society: a comparative study of Globalized and Glocalizational Risk, National Science Council.

F: Lectures and Seminar Discussions

2006.12 Article response: Globalization of capital to global apartheid of resources. Conference on Globalizational Impacts. Formosa Christianity and Culture Research Centre (Chang Jung Christian University / Tainan Theological College and Seminary). December 29-30 2006. Tainan, Taiwan.

2005.05 Social, ethical, medical, and ecological risks of genetic engineering - analyses of knowledge economic risk society. Graduate School of Social Informatics, Yuan-ze University.

2005.05 Modernity and glocalizational risk society. Department of Sociology, Tung-hai University.

2005.04 Risk culture, expert disputes, and technological decision-making—rethinking of the delayed high-tech risk society. Graduate Institute of National Development, National Taiwan University.

2004.12 Seminar on the democratization of China, Methods of Evaluating Social Risks in Mainland China, Foundation on International and Cross-Strait Studies.

2004.12 Commentary, High-tech semiconductor pollution risks in Hsinchu, Taiwanese Sociological Association.

2004.05 Commentary, Conference on Cross-Strait Development.

2003.12 Risk society and risk communication, Graduate Institute of Journalism, National Taiwan University.

2003.10 Social, ethical, medical, and ecological risks of genetic engineering under globalizational perspective, Kaohsiung Medical University.

2003.07 National governance of the post-SARS era. Taipei Society.

2003.06 Promotion mechanism of nuclear-free homeland: discussions on public participation and risk communication mechanism. Nuclear-Free Homeland Commission, Executive Yuan.

2003.06 Risk and efficiency of China's democratic domain: politics versus administrative reformation or democratization? National Level Conference, Efficiency Evaluation on Democratization of China, Foundation of International and Cross-Strait Studies.

2003.06 Meanings of social risk under globalizational perspective. Methods of Evaluating Social Risks in Mainland China, Foundation of International and Cross-Strait Studies.

2003.03 Social, ethical, medical, and ecological risks of genetic engineering under globalizational perspective, Global Youth Ambassador Training Conference, Medical Professionals Alliance I Taiwan.

2002.11 Globalizational risk of genetic engineering. National Defense Management College.

2002.03 Political and economic impacts under globalizational changes. National youth Commission, Executive Yuan & Himalaya Foundation.

2002.02 Risk management of genetically-modified foods, Environmental Protection administration, Executive Yuan.

2001.12 Globalizational risk of genetic engineering, National Security Bureau.

2001.12 Technological risk and uncertainty. Medical Ethics Series Conference, College of Medicine, National Taiwan University.

2001.11 Risk society and the Second Modernity, Institute of Sociology, Tsing-hua University.

2001.10 Biotechnology industry and social risk, Policy Conference of Central Administration, Democratic Progressive Party.

2001.09 Genetic engineering and medical risk, Institute of Health Policy and Management, College of Public Health, National Taiwan University.

2001.09 Theories and practices of risk society, Agriculture Promotion Organization, College of Bio-recourses and Agriculture, National Taiwan University.

2001.03 Risks of genetically-modified foods. Open the box of Pandora? Humanitarian issues of genetic engineering. National Science Council & Academia Sinica & China times Cultural and Educational Foundation.
