

CURRICULUM VITAE

Iris Chi, MSW, DSW

Golden Age Association Frances Wu Chair for Chinese Elderly

ACADEMIC QUALIFICATIONS

- 1983 - 1985 University of California, Los Angeles (UCLA)
Doctor of Social Welfare (D.S.W.)
- 1979 - 1981 California State University, San Diego
Master Degree in Social Work (M.S.W.)
- 1974 - 1978 Chinese University of Hong Kong (CUHK)
Bachelor of Social Science (B.Soc.Sci.)

HONORS AND AWARDS

- 2015 – 2016 Fellow, Risk Society and Policy Research Center, College of Social Sciences, National Taiwan University, Taiwan
- 2015 – date External Examiner, Department of Social Work, Chinese University of Hong Kong, Hong Kong
- 2014 – date Fellow, American Academy of Social Welfare and Social Work
- 2013 External Academic Assessor, Department of Social Work, National Taiwan University, Taiwan
- 2012 - 2013 External Research Assessor, College of Liberal Art and Social Science, City University of Hong Kong, Hong Kong
- 2012 – 2015 Consultant, Social Development Committee, Nanjing Municipal Government, China
- 2012 - date Honorary Professor, Nanjing University, Nanjing, China
- 2012 – date International Academic Advisor, Center for Aging and Health Studies, Institute for Population and Development Studies, School of Public Policy and Administration, Xi'an Jiaotong University, China
- 2011 – date Honorary Advisor, Sau Po Center on Aging
The University of Hong Kong, Hong Kong
- 2011 – date Member of the Phi Tau Phi Scholastic Honoros Society of America
- 2010 - 2011 Distinguished Visiting Scholar, Department of Applied Social Science
The University of Hong Kong & City University of Hong Kong
- 2010 Outstanding paper, 18th Annual Congress of Gerontology
Hong Kong Association of Gerontology, Hong Kong
- 2010 - date Fellow, Gerontological Society of America (GSA)
- 2010 – 2011 Gary Andrews Fellow
Australian Association of Gerontology, Australia
- 2010 – date Honorary Professor, Renmin University of China, Beijing, China
- 2009 – 2013 Inaugural member, Scientific Governing Board
Edward R. Roybal Institute on Aging, University of Southern California
- 2009 Sterling C. Franklin Award for Distinguished Faculty
University of Southern California (USC), USA
- 2007 – 2012 Special Research Fellow, Social Policy Research Center
College of Social Sciences, National Taiwan University
- 2006 – date Advisory Committee Member

2006	Center of Research on Disability and Development, China Mellon Awards for Excellence in Mentoring, USC, USA
2005 – 2012	Hartford National Geriatric Social Work Program Advisor
2004	Bronze Bauhinia Star The Government of Hong Kong Special Administrative Region, China
2003 – date	International Consultant The Hong Kong Jockey Club Centre for Suicide Research and Prevention, The University of Hong Kong, Hong Kong
2002 - date	Honorary Professor East China University of Science and Technology, China
2002 - date	Honorary Professor, Peking University, Beijing, China
2002 - date	Honorary Professor, Fudan University, Shanghai, China
2002 - date	Honorary Professor and Research Fellow China National Ageing Committee, Beijing, China
2000 - date	Fellow of interRAI, University of Michigan, USA
2000 - date	Justice of Peace The Government of Hong Kong Special Administrative Region, China
1999 - date	Honorary Professor and Associated Health Researcher Center on Aging, University of Victoria, BC, Canada
2001 - 2008	Consultant and Mentor China-Rochester Suicide Research Centre, University of Rochester, USA
1999 - 2004	Temporary Adviser and Consultant WHO Kobe Centre for Health Development, Japan, WHO Western Pacific Regional Office, Philippines and WHO Headquarter Ageing and Life Course Programme (ALC), Geneva
Aug. 2003	IPA Awards for Research in Psychogeriatrics 11 th Congress of International Psychogeriatrics Association, USA
2002	Outstanding Paper Award Hong Kong Institute of Gerontology, Hong Kong
1997 - 2002	Honorary Professor East China Normal University, Shanghai, China
1999 - 2001	Outstanding Teaching Award Faculty of Social Sciences, The University of Hong Kong, Hong Kong
Sept. 1997	Award for Outstanding Research in Gerontology Hong Kong Association of Gerontology, Hong Kong
May 1997	Certificate of Merit for Housing Research Hong Kong Institute of Planners, Hong Kong
Nov. 1994	Best Research of the Year 1994 The Hong Kong College of General Practitioners, Hong Kong
1992/2001	Distinguished Fellow, K C Wang Education Foundation Fund East China Normal University and Fudan University, Shanghai, China

RESEARCH GRANTS

Since 1988, I have participated in more than 100 major research projects. Majority of these grants were awarded to me as the principal investigator. I have also been involved in 7 international collaborative projects. Four projects have won the research awards.

1. "Study on the social aspects of elderly hip fractures patients in Hong Kong". Research and Conference Grants Committee of the University of Hong Kong. 1987-1989. HK\$80,000. Principal investigator
2. "A health survey of elderly in Hong Kong". University Grant Council. 1988-1989. HK\$150,000. Principal investigator.
3. "Elderly dietary calcium intake and other risk factors in osteoporosis study". Research and Conference Grants Committee of the University of Hong Kong. 1988-1990. HK\$50,000. Principal investigator.
4. "Evaluation on the respite care service for the elderly in Hong Kong". The Jockey Club Charities Trust. 1989-1990. HK\$120,000. Principal investigator.
5. "An evaluation study of the health promotion program for the elderly in Hong Kong". St. James' Settlement. 1989-1995. HK\$350,000. Principal investigator.
6. "Evaluation on the skill laboratory training of the BSW program in the department of social work of the University of Hong Kong". The Research and Conference Grants Committee of the University of Hong Kong. 1989. Co-investigator.
7. "Study on the social support of the cancer patients in Hong Kong". The Chinese University of Hong Kong. 1989-1990. Co-investigator.
8. "Pilot study on the mental health instruments for the elderly in Hong Kong". The Research and Conference Grants Committee of the University of Hong Kong. 1990-1992. HK\$50,000. Principal investigator.
9. "Cross-national study of elderly Chinese, and Chinese Americans". Centre for Pacific Rim Studies of the University of California. 1990-1992. US\$1,500,000. Co-investigator.
10. "Health risk, health condition survey of the old-old in Hong Kong". The Croucher

- Foundation. 1991-1994. Co-investigator
11. "A mental health and social support study of the old-old in Hong Kong". Research Grant Council. 1992-1994. HK\$200,000. Principal investigator.
 12. "Cross-national study of elderly Japanese, and Japanese Americans". The Centre for Pacific Rim Studies of the University of California and some private funding. 1992-1996. Co-investigator.
 13. "Community attitudes to institutional care of the aged". The Research and Conference Grants Committee of the University of Hong Kong. 1993-1994. Co-investigator. Best Research of the Year 1994 Award by the Hong Kong College of General Practitioners.
 14. "Community care and the elderly in Hong Kong: A study of quality of life in the elderly". The Research and Conference Grants Committee of the University of Hong Kong. 1994. HK\$100,000. Principal investigator.
 15. "A trend study of the older people in Hong Kong". Research Grants Council of the Government of Hong Kong Special Administrative Region. 1995. HK\$340,000. Principal investigator.
 16. "An epidemiological study of depression and cognitive impairment among the elderly in Shatin". Croucher Foundation and other private donations. 1994-1996. Co-investigator.
 17. "A comparative study of drug utilization among the Chinese elderly in Canada and Hong Kong". 1995. Principal investigator.
 18. "A comparative study on the adaptation of Chinese elderly in Beijing, Guangzhou, Shanghai, Suzhou, Hong Kong and Vancouver". The Research and Conference Grants Committee of the University of Hong Kong, HK\$150,000 and the University of Victoria, \$35,000. 1995-1996. Principal Investigator.
 19. "A comparative study on the cultural factors in illness and health seeking behaviour of the Chinese elderly in Beijing and Hong Kong". The University of Missouri. 1996. HK\$100,000. Principal investigator.
 20. "Case management in long term care". The United Kingdom/Hong Kong Joint Research Scheme of the British Council. 1995-1996. \$77,980.
 21. "Market and marketing research for senior citizen residences". 1995-1996. Hong Kong Housing Society, the Government of Hong Kong Special Administrative Region, China. 1995-1996. Co-investigator. '97 Certificate of Merit by the Hong Kong Institute of Planners.
 22. "A study of the needs of elderly people in Hong Kong for residential care and community support service". The Health & Welfare Branch of the Government of Hong Kong Special Administrative Region, China. 1996.
 23. "Elderly suicide study". The international Befrienders. 1996. HK\$90,000. Principal investigator. 10th Anniversary Award for Outstanding Research in Gerontology from the Hong Kong Association of Gerontology in September 1997.
 24. "The utilization of aged care services by frail elderly and their family carers". The Health Service Research Grant, Hospital Authority of the Government of Hong Kong Special Administrative Region, China. 1996. HK\$707,922.
 25. "Use of the Minimum Data Set (MDS) to assess the health outcomes among the frail elderly". The Research and Conference Grants Committee of the University of Hong Kong. 1997-1998. \$76,956. Principal investigator.
 26. "Evaluation study on social networking for the elderly". The Social Welfare Department of the Government of Hong Kong Special Administrative Region, China. 1997-1998. HK\$0.5 million.
 27. "Falls and fall-related injuries in community-dwelling elderly persons in Hong Kong".

- The Health Services Research Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 1997. HK\$669,160. Co-investigator.
28. "Review of care services for elderly living in the community". The Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region, China. 1998. HK\$792,000. Principal Investigator.
 29. "Use of intellectual ability tests to assess the cognitive ability among the Hong Kong Chinese older adults". Research and Conference Grants Committee of the University of Hong Kong. 1998. HK\$180,000. Principal Investigator.
 30. "A longitudinal study of the older people in Hong Kong". The University Research Committee of the University of Hong Kong. 1998. HK\$120,000.
 31. "A cross-sectional study of intellectual development among Hong Kong adults: Validation of everyday problem solving test". The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Co-investigator.
 32. "A longitudinal study of the older people in Hong Kong: Using selection, optimization and compensation as strategies for successful aging". The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Principal Investigator.
 33. "To identify psycho-social factors contributing to physical exercise pattern among Hong Kong older adults". The University Research Committee of University of Hong Kong. 1999. HK\$65,000. Co-investigator.
 34. "A study on the volunteering aspirations of retired or retiring professionals in Hong Kong". Hong Kong Young Women's Christian Association. 1999.
 35. "Use of the Minimum Data Set (MDS) to assess the health outcomes among the attendants of elderly health centres". Health Service Research Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$700,000. Principal investigator.
 36. "Consultancy study on gate keeping initiative for elderly services: System of assessment for service matching and prioritization of services". Social Welfare Department, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$500,000.
 37. "Consultancy study on quality of life of elderly people in Hong Kong". The Health and Welfare Bureau of the Government of Hong Kong Special Administrative Region, China. 1999. HK\$780,000. Co-investigator.
 38. "Dementia day care centre in central and western district". S.K. Yee Medical Foundation Grant. 1999. HK\$1,576,310.
 39. "Consultancy for provision of housing and care services for the elderly in public housing estates". Hong Kong Housing Authority, the Government of Hong Kong Special Administrative Region, China. 2000, HK\$457,680. Co-investigator.
 40. "Consultancy study on the review of day care centres, multi-service centres and social centres for the elderly and integration of elderly care services". Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region. 1997-1998. HK\$953,000. Co-investigator.
 41. "A multi-disciplinary approach to understanding elderly suicide in Hong Kong". Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region, China. 1998-2000. HK\$980,000. Co-investigator.
 42. "Develop an effective dementia services for elderly persons in Hong Kong." United Kingdom/Hong Kong Joint Research Scheme. 1999-2000. HK\$72,040.
 43. "A validation study on the Parkinson disease questionnaire". Faculty Research Grant of the University of Hong Kong. 2000. HK\$10,000. Principal Investigator.

44. "A study of accommodation preference in Shenzhen of the older adults from Hong Kong". The Society of Hong Kong Rehabilitation. 2000-2001. HK\$200,000. Principal Investigator.
45. "To identify the pattern of physical exercise and determinants contributing to the engagement in physical exercise among Hong Kong older adults". Health Care & Promotion Fund Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2000-2002. HK\$799,350. Co-investigator.
46. "A community oriented analysis of older adults: Health needs resources for health and health services utilization in Hong Kong". Department of Nursing and Health Science of Hong Kong Polytechnic University. 2001. HK\$200,000. Co-investigator.
47. "A study of new prototype of ATM for older persons in Hong Kong". Hong Kong and Shanghai Banking Corporation. 2001. HK\$200,000. Co-investigator.
48. "A study of using RAI 2.0 in residential care homes in Hong Kong". S. K. Yee Medical Foundation Grant. 2001. HK\$500,000. Co-investigator.
49. "The effects of gerontology and geriatrics programmes of Hong Kong University on the community: A survey on employers, alumni, and educators". The Wu Jieh-Yee Research Fund, University of Hong Kong. 2001. HK\$80,000. Co-investigator.
50. "Opinion survey on the public's views on age discrimination in recruitment". Education and Manpower Bureau, the Government of Hong Kong Special Administrative Region, China. 2001. HK\$350,000. Principal Investigator.
51. "Developing a self maintenance therapy for elderly persons with dementia in Hong Kong". Germany/Hong Kong Joint Research Scheme. 2002. HK\$41,900. Principal Investigator.
52. "The role of cognitive theory and interpersonal theory in depression among Chinese older adults". The University Research Council of University of Hong Kong. 2002. HK\$120,000. Principal Investigator.
53. Health promotion needs for the soon-to-be old and caregivers in Hong Kong". Elderly Service, Department of Health, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$180,000. Co-investigator.
54. "A study of anti-smoking attitude among the social workers". The Community Partnership Scheme, Healthy Ageing Committee, the Government of the Government of Hong Kong Special Administrative Region, China. 2002. HK\$890,000. Co-investigator.
55. "To improve the physical & psychological well-being of elderly residents in nursing homes by utilization of RAI 2.0 in care planning". Health Care & Promotion Fund Committee of the Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$820,600. Principal Investigator.
56. "The impact of physical exercise on health care service and social service utilization among Hong Kong Chinese Older adults". University Research Council Small Project Funding, University of Hong Kong. 2002. HK\$80,000. Co-investigator.
57. "Comprehensive study on the housing needs of the elderly in Hong Kong". Housing Society, the Government of Hong Kong Special Administrative Region, China. 2003. HK\$2,000,000. Co-investigator.
58. "Depression and causal attribution in Hong Kong older adults". University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$60,000. Co-investigator.
59. "Depression, self-destructive behavior, suicide among residents of residential facilities for elderly people in Hong Kong". University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$60,000. Principal Investigator.

60. "Tai Chi and depression: A randomized controlled trial". The project is funded by University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$120,000. Co-investigator.
61. "Relationship between SARS (Severe Acute Respiratory Syndrome) outbreak and psychological well-being in Hong Kong older adults". Hong Kong Council of Social Service. 2003. HK\$130,000. Co-investigator.
62. "Family caregiving for dementia elders and social support: A social cognitive approach". Research Grant Council of the Government of Hong Kong Special Administrative Region, China. 2003. HK\$499,000. Principal Investigator.
63. "Exercise health promotion in older adults: a randomised controlled clinical intervention study". Health and Health Service Research Fund of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. HK\$658,644. Co-investigator.
64. "Who will pay for long term care in Hong Kong: Public or private responsibility?" Research Grant Council of the Government of Hong Kong Special Administrative Region. 2004. HK\$1,102,080. Co-investigator.
65. "Reverse mortgage: A promising financial tool for "house-rich, cash-poor" older persons in Hong Kong". University Grant Council for Basic Research, University of Hong Kong. 2004. HK\$112,000. Co-investigator.
66. "Measuring individualized care for persons with dementia in long-term care facilities: A validation study". University Development Fund for Applied Neuroscience Research Project, University of Hong Kong. 2005. HK\$94,000. Co-investigator.
67. "A study on a financially sustainable retirement protection system in Hong Kong". Research Grant Council of the Government of Hong Kong Special Administrative Region, China. 2005. Co-investigator.
68. "Building Self Care Capabilities among Asian Older Adults: Internet as Resource". University of Southern California Undergraduate Research Funds. 2004 and 2006. US\$16,000. Co-investigator.
69. "Building self care capabilities among Chinese older adults through internet: An outcome study". University of Southern California Undergraduate Research Funds. 2005. US\$8,800. Principal Investigator.
70. "Population aging in China: Social, health, and policy implications". University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$15,000. Co-principal investigator.
71. "Aging policy seminar in China: Teaching and research initiative". University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$7,500. Principal investigator.
72. "International study of oral health among elderly Chinese migrants". Canadian Institute of Health Research. 2007. Co-investigator.
73. "A study investigating factors that affect long-term care use in Hong Kong". Hong Kong SAR Government Studies in Health Services. 2007. US\$65,000. Co-investigator.
74. "A study on effectiveness of integrated home care service in community care for elder people in Hong Kong. Research Grant Council, University of Hong Kong. 2008. HK\$78,560. Co-investigator.
75. "Intergenerational family support for older adults in China". University of Southern California U.S. – China Institute Faculty Research Grant and School of Social Work Endowed Research Grant. 2008 - 2013. US\$79,500. Co-principal investigator.
76. "Senior housing study in China". University of Southern California U.S. – China Institute Faculty Research Grant and Marshall School of Business' Center for

- International Business Education and Research and U.S. Department of Education. 2008. US\$15,500. Co-principal investigator.
77. "Cross-national study on professionalization of social work: The role of social work education". International Association of Schools of Social Work Project Fund. 2008. US\$4,000. Co-principal investigator.
 78. "Need assessment of older earthquake survivors in Sichuan, China". Chinese Disaster Research Grant. 2008. \$20,000. Co-principal investigator.
 79. "A study of the interaction pattern between Chinese immigrant grandparents and their adolescent grandchildren". USC Undergraduate Research Funds. 2008-09. US\$10,000. Principal investigator.
 80. "A study investigating factors that affect long-term care use". Elderly Commission of Hong Kong SAR Government. 2008-2009. Consultant.
 81. "Longitudinal Study of Grandparenting, Intergenerational Support and Well-being of Older Adults in Rural China". USC Undergraduate Research Funds. 2009-10. US\$6,600. Co-principal investigator.
 82. "Validation study of the Hong Kong version of interRAI Mental Health and Intellectual Disabilities". 2009-2010. Consultant.
 83. "Study on community care service for the elderly". Elderly Commission of Hong Kong SAR Government. 2009-2011. Consultant.
 84. "A study of oldest-old and centenarians in Hong Kong". Hang Seng Jubilee Education Research Fund. 2009-2010. Co-investigator.
 85. "Social Capital, Social Exclusion, and Healthy Aging in Older Chinese in Los Angeles". USC Undergraduate Research Program. 2009-2010. US\$6,600. Principal investigator.
 86. "Intergenerational Relationships among Chinese Immigrants". US-China Institute Faculty Research Grant. 2010-2011. US\$6,000. Principal investigator.
 87. "Americanize with Good Health – Helping Immigrants Keep the Healthy Edge". USC Collaboration Fund. 2011-2013. US\$53,000. Co-Principal investigator.
 88. "Grandparents and Grandchildren Left Behind in Rural China: Implications for the Well-being of Older and Younger". US-China Institute Faculty Research Grant. 2011-2012. US\$7,000. Co-Principal investigator.
 89. "A Study on the Dementia Care Training Needs of Community Health Workers in Beijing". China Program, USC School of Social Work & Institute of Mental Health, Peking University. 2011-2012. Principal investigator.
 90. "Validation Study on interRAI Community Health Assessment (CHA) instrument". Hong Kong Christian Service and Hong Kong Polytechnic University. 2011-2012. Co-Principal investigator.
 91. "Aging Families in Taiwan". Tsai Family Research Fund for Taiwan Studies Award. 2012. US\$10,000. Principal investigator.
 92. "Needs Assessment of Senior Housing Residents". Chinese American Golden Age Association. 2012. US\$5,000. Principal investigator.
 93. "Intergenerational Relationship of Chinese Immigrant Families in Los Angeles". China Program, USC School of Social Work, 2011-2012. Principal investigator.
 94. "CSWE US-China Collaborative". USC School of Social Work, 2011-2017. Principal investigator.
 95. "Family Support and the Psychological Well-being of Older Parents in Empty-nest Families in Beijing". Center for Asian and Pacific Studies (CAPS) Grant, University of Iowa. 2012-2013. Co-Principal investigator.
 96. "A Health Survey on NAI Families". USC School of Social Work, 2012-2014. Principal investigator.

97. "A study of the interRAI-MH Subjective Quality of Life Instrument for people with mental illness". Hong Kong Polytechnic University and SKHWC, 2014-. Co-investigator.
98. "Factors Affecting Health Literacy among Chinese American Immigrants with Diabetes". USC School of Social Work, 2013-2014. Principal investigator.
99. "Intergeneration Mobile Technology Opportunities Program (IMTOP) in Taiwan". Tsai Family Research Fund for Taiwan Studies Award. 2014. US\$5,000. Co-Principal investigator.
100. "Enhancement of the Infrastructure of Long-term Care in Hong Kong". Department of Social Welfare, SAR Hong Kong Government, 2013-15. US\$1,500,000. Consultant.
101. "Intergeneration Mobile Technology Opportunities Program (IMTOP) in Taiwan". Fubon Foundation. 2014-2017. US\$1,500,000. Co-investigator.

TRAINING GRANTS

1. "CSWE US-China Collaborative". USC School of Social Work. US\$50,000.
2. "Elder Care Training". USC Duncan & Winnie Dang Endowed Fund. US\$25,000.
3. "Training on Improving Communication between Chinese Immigrant Patients and Health Care Providers". USC School of Social Work. US\$5,000.
4. "interRAI Summer Program for International Research". Health Council of Canada. US\$10,000.
5. "Care Management in Long Term Care". Hong Kong Christian Service. HK\$25,000.
6. "Educational Training Video on Elder Care". Hong Kong Jockey Club Charitable Foundation. HK\$6,500,000.
7. "Multi-skill Training Courses for Elder Carers". Hong Kong Jockey Club Charitable Foundation. HK\$10,000,000.
